- Lightweight waterproof coat

Useful tips

1. Mark clothing with the child's name. We try to return any identifiable items to school.
2. Involve your child in packing and folding —they are more likely to remember which items belong to them at the end of the stay.

3. No new clothes—children may not recognise them at the end of the week.
4. Medication and pocket money must be handed in to school staff.
5. There are drying racks, but we cannot wash clothes.

DO NOT PACK TOO MUCH AS YOUR CHILD HAS TO CLIMB 2 FLIGHTS OF STAIRS AND THERE ARE NO LIFTS OR PORTERS!

NO torches, knives or electrical items including MP3's, games.

NO matches, lighters

NO make-up, jewellery or valuable items

NO sweets, drinks (except bottle of water). Please **DO NOT** give food for the bus, and avoid a big breakfast to prevent travel sickness.
